A QUEST FOR FOOD WITH ATTITUDE

Win it Wednesday: Dinner for Two at Bonefish Grill

In a downward economy, Trans-Pacific trips to Asia may not be in the cards, (in an upward economy its still not in the cards for me) but that doesn't mean we shouldn't be able to enjoy the area's flavorful foods. Local Bonefish Grill chefs make it easy to indulge in authentic Asian-inspired cuisine such as Huge Wild Gulf Shrimp Pad-Thai and Asian-style Tempura Lobster without breaking your bank.

This week the folks from Bonefish are giving away a \$45 Gift Certificate to Bonefish Grill to one lucky Jersey Bites winner.

To enter just leave me a comment telling me your favorite Bonefish Grill dish. If you haven't made it to Bonefish yet, hop on over to their website at [Bonefish Grill](http://BonefishGrill.com) and come back and tell me what you'd like to try from their fabulous menu.

Be sure to leave your contact email in your entry if your profile doesn't include

one or I will have to pick another number.
