## Bonefish Grill Unveils New Offerings

✎ Posted by [Sarah Caron](#) 📅 April 30, 2009

When a PR person shot me a note about the new items on the menu at [Bonefish Grill](#), she had me salivating. Shrimp, crab and steak, oh my! I am all for yummy, tasty, fish offerings and these don't disappoint.

Unfortunately for me, the nearest location is more than an hour away, so I won't be trying them myself anytime soon (but our fearless Well Fed leader Cate O'Malley will be and will be giving you, our darling readers a rundown). So, what's new on the menu?

**Hand Helds-** New hand helds include the Bang Bang Shrimp Taco, a delicious new take on a signature favorite; and, in select markets, a tasty Maryland crab cake sandwich

**Bang Bang Tacos-** Two tortillas filled with Bang Bang shrimp, crisp lettuce and diced tomatoes.

**Sir Will's Fish & Chips-** Tempura style with house made tartar and French fries.

**Maryland Crab Cake Sandwich-** A jumbo lump crab cake with lettuce, tomato and red remoulade.

**Walkerswood Shrimp and Steak-** \$ 18.90 - 6oz wood-grilled sirloin with Huge Wild Gulf Shrimp on sauteed mushrooms with a Jamaican scampi sauce

**Huge Wild Gulf Shrimp Pad-Thai-** \$12.90- Asian rice noodles with scallions, sprouts, peanuts, egg and traditional Pad-Thai sauce
